

ADAMSTOWN ROSEBUD FOOTBALL CLUB

POLICY – Smoke Free (Policy #1910)

Issue Date: May 2019

Revision Date: May 2022

.....

Introduction

ARFC recognises that passive smoking is hazardous to health and those non-smoking club members and visitors have the right to be protected from exposure to tobacco smoke. Accordingly, the following policy shall apply to all club facilities, functions, meetings and activities undertaken by the club and will apply to all members, officials, players and club visitors.

Policy

All club facilities are to be completely smoke free and shall include:

- The social rooms inclusive of BBQ area, kitchen, first aid rooms, toilets and storage area
- Player change rooms inclusive of warm up area, toilets and showers, medical room and property room.

Cigarettes will not be sold (including vending machines) at any time at or by the club.

Coaches, players, trainers, volunteers and officials will refrain from smoking and remain smoke free while involved in an official capacity for the club, on and off the field.

All club functions including social and fund-raising events and meetings are to be completely smoke free:

- Ashtrays will be removed from all club facilities.
- Cigarette butt bins will be provided at outdoor locations for smokers to dispose of cigarette butts before entering/re-entering smoke free areas at club functions
- Smokers leaving the designated licensed area of the clubs functions will not be permitted to take alcohol from that area.

All club functions held away from the club facilities are to be completely smoke free and shall require an assurance from the venue management of compliance with the club policy before a booking is confirmed by:

- Removing all ashtrays from venue where function is to be held
- Enforcing a smoke free policy during the function.

All ARFC Board members will enforce the smoke free policy.

The club will promote the smoke free policy regularly by actively participating in the Australian Drug Foundation's Good Sports program with an ongoing priority to achieve and maintain Level 3 accreditation.
