

Adamstown Rosebud Football Club Position Description – Technical Director

OBJECTIVE:

To provide leadership in a technical and game play sense to players and coaches. This direction should follow the philosophy of the National Technical Director as set out in the FFA National Curriculum, whilst being sufficiently flexible to cater for any unique needs and circumstances which may exist from team to team.

RESPONSIBILITIES:

- To ensure that the FFA National Curriculum is embraced and followed by coaches and players within Adamstown Rosebud FC.
- To play a key role in the appointment and management of coaches/programs from SAP to Seniors.
- In conjunction with coaches, oversee the selection of these respective teams or squads.
- Pre-season coaching workshops to engage coaching teams and outline strategic framework / Club requirements.
- Dispute resolution / mediation function – interface for parent feedback, monitoring 'health' issues and grievance handling process.
- Establish and maintain strong professional relationships and communication with all coaches and various stakeholders, including other clubs, Northern NSW Football and FFA.
- Establish a communication strategy with our coaches and provide advice and support on coaching matters.
- Provide coaches with regular assessments covering training and game day activities.
- Mid-year and post season coach review.
- Liaise with Senior Coaches to ensure consistent program and philosophy is being delivered throughout the club.
- Regularly monitor current trends in football and other sports, and provide updates to coaches.
- Development of club coaching resources (Including digital and training equipment).
- Develop and monitor NPL youth annual training plan.

ACCOUNTABILITY:

- The Technical Director is accountable to the Board Executive.
- The Technical Director will be an appointed board member each year and will be required to attend general board meetings.

ESSENTIAL SKILLS:

- FFA B licence.
- Knowledge, understanding and experience working in the area of talented player/coach development.
- Experience in the establishment and ongoing management of coach/athlete development programs.
- High level communication skills, particularly presentation skills.
- Ability to work with technical staff/coaches.
- Ability to provide leadership and direction.
- Mediation of any parent / player / coaching issues and disputes.

The estimated time commitment required as the Technical Director is up to 6 hours per week, with additional time on match days.
