# Adamstown Rosebud FC Sponsorship

Thanks for considering sponsoring Adamstown Rosebud Football Club. Despite being volunteer run, it costs a great deal to run an NPL football club. Your sponsorship will allow us to provide quality coaching and support for boys and men to play high level football.

We rely on sponsors to keep our registration fees as low as possible for players and their families.

## Benefits of sponsoring

- 1. Promote your brand and business offering to the football community.
  - Reach more than 600 players, parents & volunteers from our club plus opposing teams from the Hunter & mid North Coast.
  - 5000+ followers across 3 social media channels and 850 website visits a month.
  - First and Reserve Grade matches are livestreamed on BarTV Sports.
- 2. Give back to your community through sport. You'll help young footballers to develop their football skills, stay fit, and learn skills for off the field too.
- 3. Check with your accountant but sponsorship can be a business expense.

### Please get in touch about your needs

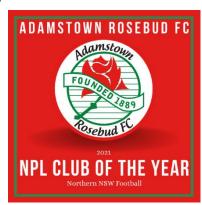

We'd love to chat about any sponsorship option or to customise a package that meets your needs. Please phone Craig on 0437 477 493 or email <a href="mailto:sponsorship@adamstownrosebudfc.org.au">sponsorship@adamstownrosebudfc.org.au</a> with your contact details and preferred time to talk.

#### Why Adamstown Rosebud FC?

Adamstown Rosebud FC is one of Australia's longest standing football clubs with a rich and successful football history. We have teams from Under 9s through to first grade playing in Northern NSW's premier competition, the National Premier League (NPL) and the Junior Development League (JDL).

The Adamstown Way is to develop and promote from within to help shape good men on and off the field. We do this by enjoying football and through our values of collaborative effort, mutual respect, hard work and discipline.

We connect with community. We were the first Northern NSW football club to partner with headspace to provide seminars and resources to support player resilience and good mental wellbeing. We take part in the annual Push Up Challenge to raise awareness and funds for local mental health services. We work with local cadets to host an ANZAC service and the NNSW NPL Anzac Cup each year.

## **Sponsorship options**

All sponsors receive these benefits PLUS specific benefits in the table below.

- ARFC sponsor logos to use in your marketing
- a listing with your website & social media links on our website sponsor page
- free passes to our Sponsors Day (varies with level of sponsorship)
- free passes to Seniors' home games (varies with level of sponsorship)
